Email Us!

To become a Holiday Hope Adopt a Family Sponsor, please email pam@kidsmealsinc.org, and Pam will guide you to the next step!

What's Next?

Once you've submitted your Sponsorship Application, you'll receive a link to our virtual platform. Once you create an account, you can choose a family to adopt! Family's range in size from 2-14 members. Sponsors typically spend between \$35-\$100 per family member.

Gift Delivery

To practice social distancing guidelines, we will not be offering the option to deliver gifts directly to our families this year. Instead, we ask that gifts be delivered to our office, at 330 Garden Oaks Blvd. for a contactless drop off. Our staff will deliver gifts to families.

We ask that gifts be new, wrapped, and labeled with each family member's name and dropped off at our facility no later than

Monday, December 14th!
