

Holiday Hope Adopt A Family Program - 2020

Dear Holiday Hope Sponsors,

Thank you for your interest in joining our 2020 Holiday Hope Adopt A Family Program. It means the world to our families to be blessed with a Christmas experience and to know that someone is thinking of them this holiday season.

We have made changes to the program to accommodate for the effects of COVID-19. The biggest change is that you will have the opportunity to select the family you'd like to adopt yourself on our new online system, Roonga. To protect our families' information, we decided not to include their contact information on the site. If you feel the need to contact the family, please reach out to Pam at Pam@kidsmealsinc.org. If you decide to contact the family, we are happy to assist in the event of a language barrier.

Delivery

Your health and the health of those we serve are of the utmost importance to Kids' Meals. For this reason, we will forego the option of delivering gifts directly to the families. We are offering a contactless drop off at the Kids' Meals office. Once the gifts are received, we will then arrange a safe pick up/drop off for the family to receive their gifts.

Gifts

In the past, sponsors spent \$35 - \$100 per family member. This is ultimately up to your discretion. Please wrap the gifts and label them with each family member's name, then drop them off at Kids' Meals Office (330 Garden Oaks Blvd.) by **Monday, December 14th**. We will be accepting the gifts at the back of the building at loading dock #20, **Monday – Friday, 9:00-1:00**.

Social Media

We'd love to see your photos of the entire process! Please send photos of your family/group shopping, wrapping gifts, etc. Please email photos to Katherine@kidsmealsinc.org and use the hashtag #KMHolidayHope when posting on social media.

Please reach out if you have questions. Thank you for performing Christmas miracles for our families!

Warmest regards,

Pamela Fairchild
