

Join the Mission. Make an Impact Every Day.

Kids' Meals is looking for a **Warehouse Associate** to help keep our mission moving — literally.

Behind every meal we deliver is a warehouse team that ensures food, supplies, and donations are received, organized, and ready to go. If you take pride in hands-on work, value teamwork, and want your day-to-day efforts to directly support children in our community, this role might be for you.

What You'll Do

As a Warehouse Associate, you'll support the daily operations that power Kids' Meals' mission by:

- Receiving and organizing supplies and in-kind donations
- Maintaining accurate inventory and keeping the warehouse clean and safe
- Assisting with loadouts, deliveries, and pickups
- Supporting recycling and sustainability efforts
- Working alongside drivers, Hope Providers, volunteers, and leadership to ensure smooth operations

No two days are the same — and every task matters.

Who You Are

- Reliable, organized, and safety-minded
- Comfortable with physical work in a fast-paced environment
- A team player who communicates clearly and takes pride in doing things right
- Motivated by purpose and the chance to make a tangible difference

Warehouse or logistics experience is a plus, but commitment, integrity, and a strong work ethic matter most.
