INDEPENDENT AUDITORS' REPORT

To the Board of Directors Kids' Meals, Inc. Houston, Texas

Opinion

We have audited the accompanying financial statements of Kids' Meals, Inc. ("the Organization"), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kids' Meals, Inc. as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

RMH.CPA • 713.590.3000

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Organization's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the
 aggregate, that raise substantial doubt about the Organization's ability to continue as a
 going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Houston, Texas April 30, 2024

Remin Mc Gomes Hero P.

NOTE 1 – NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Kids' Meals, Inc. ("the Organization") is a 501(c)(3) not-for-profit charitable organization that was established in 1984 and incorporated in 1991. This Organization takes a community-based approach aimed at reducing hunger among inner city children through a program the Organization refers to as the Meals on Wheels program. Through the Meals on Wheels program, the Organization works to break the cycle of poverty. Public and private donations are the Organization's primary source of revenue.

Support and Expenses

Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activity as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions. The Organization reports gifts of goods and equipment as net assets without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as net assets with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

Donated Services, Goods, and Facilities

Donated professional services and or property and equipment, if any, are reflected in the statement of activities at their fair value. Materials and other assets received as donations are recorded and reflected in the accompanying financial statements at their fair values at the date of receipt.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of

NOTE 1 – NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The most significant estimate reflected in the financial statements is the estimate of contributed food. Such food contributions' fair value is estimated generally based on a per-pound rate. This has no impact on net assets or changes net assets. In prior years, management applied a discount to the value of the contributed food. Beginning in 2018, this discount was decreased to reflect the Organizations ability to make fuller use of the contributed food. Such a change in estimate results in a increase in contributed food revenue and a corresponding increase in program service expense for food cost.

Financial Statement Presentation

Financial statement presentation follows the recommendation of the Financial Accounting Standards Board in *Accounting Standards Codification 958: Not-for-Profit Entities*. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

- Net assets without donor restrictions include those assets whose use is not restricted by donor-imposed stipulations even though their use may be limited in other respects such as by contract or board designation.
- Net assets with donor restrictions include contributions by the donor for specific purposes or future time periods. When a purpose restriction is accomplished or a time restriction ends, these net assets with donor restrictions are released to net assets without donor restrictions. Other donor restrictions can be permanent in nature, i.e., those assets that donors have restricted in perpetuity.

See Note 6 for discussion of the Organization's net assets with donor restrictions.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held in checking and money market accounts and other short-term investments of a liquid nature with maturities of less than 90 days. At year end and throughout the year, the Organization maintains its cash balances in one financial institution located in Houston, Texas. The balances at the financial institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At various times there were balances in the bank that were over the FDIC limit. Total uninsured cash balances on December 31, 2023 and

KIDS' MEALS, INC. NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 and 2022

NOTE 1 – NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

2022 were \$2,061,453 and \$516,575, respectively. Management believes that the Organization is not exposed to any significant credit risk on cash and cash equivalents.

Contributions Receivable

Contributions receivable consist of current year donations the Organization received after December 31, 2023. Historically the Organization receives donation checks up to two weeks after year end, to review and record as prior year donations and reflects that amount donated as contributions receivable. The Organization did not have any allowance for uncollectible receivables for the years ended December 31, 2023 and 2022.

Bad debts are accounted for by the direct write-off method, the results of which are not materially different from those that would have resulted if the allowance method had been used.

<u>Inventory</u>

Inventory consists of consumables and promotional items. These items are recorded at cost, which approximates market value. Inventory balances are immaterial to the financial statements.

Investments

Investments consist of publicly traded mutual funds, money market funds, and US Treasury obligations and are carried at fair value.

Contributions

Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions on the existence or nature of any donor restrictions.

Advertising Costs

Advertising costs are expensed as incurred. For the years ended December 31, 2023 and 2022, advertising costs amounted to \$63,792 and \$26,454, respectively.

NOTE 1 – NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

The Organization is a 501(c) (3) non-profit corporation whose revenue is derived from contributions, fees and other fundraising activities and is not subject to federal or state income taxes. The Organization files a Form 990 with the Internal Revenue Service, and years 2018 through 2022 are subject to examination.

Leases

The Organization leases office space in Houston, Texas and Montgomery, Texas. The determination of whether an arrangement is a lease is made at the lease's inception. Under ASC 842, a contract is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset. Management only reassesses its determination if the terms and conditions of the contract are changed.

Leases with an initial term of 12 months or less for all classes of underlying assets are not recorded on the balance sheet, rather, expensed as incurred. Operating leases are included as Operating lease right-of-use ("ROU") assets, and Operating lease right-of-use liabilities in our consolidated balance sheets.

ROU assets represent our right to use an underlying asset for the lease term, and lease liabilities represent our obligation to make lease payments. Operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Organization uses a practical expedient that allows the Organization use to the risk-free rate to determine the present value of lease payments based on the information available at lease commencement. The Organization has elected to use this risk-free rate as the discount rate for all classes of underlying assets. Operating lease ROU assets also include any lease payments made and exclude any lease incentives. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The Organization's lease terms may include options to extend the lease when it is reasonably certain that we will exercise the option.

The Organization has lease agreements with lease and non-lease components. These non-lease components include taxes, insurance and utilities on its office lease. The Organization has elected to account for lease and non-lease components as a separate component for all classes of underlying assets.

NOTE 1 – NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Adoption of Accounting Standard Update ASU No. 2016-13 Financial Instruments – Credit Losses (Topic 326)

On January 1, 2023 the Organization adopted ASU 2016-13 Financial Instruments – Credit Losses (Topic 326) which replaces the incurred loss methodology with an expected loss methodology. The Organization adopted this standard effective January 1, 2024. The measurement of expected credit losses under the Current Expected Credit Losses (CECL) methodology is not applicable to the Organization's contribution receivables. Accordingly, there has been no impact to beginning net assets.

Reclassifications

Certain reclassifications have been made to prior periods to conform with current reporting. On the statement of financial position, contribution receivables of \$4,732,125 have been reclassified as \$1,319,618 current portion and \$3,412,508 as non-current assets. There was no impact to the change in net assets or to the statement of financial position.

Subsequent events

Subsequent events have been evaluated through April 30, 2024, which is the date the financial statements were issued.

NOTE 2 – IN-KIND DONATIONS

The Organization recognized \$1,895,962 and \$2,523,720 of in-kind donations for the years ending December 31, 2023 and 2022, respectively. The goods and services are as follows:

	 2023	2022
Food	\$ 1,895,962	\$ 2,523,720
	\$ 1,895,962	\$ 2,523,720

The contributed goods and services were used for the Meals on Wheels program. In addition, the Organization received thousands of hours of donated work from hundreds of people ranging from Board members to volunteers helping with the Organization's programs. While the value of such contributed efforts is vitally beneficial to the Organization, no dollar amount is recognized on our financial statements or tax return for these contributions.

NOTE 3 – INVESTMENTS

The Organization held \$10,232,567,567 and \$7,446,713 in publicly traded mutual funds, money market funds, and US Treasury obligations at December 31, 2023 and 2022, respectively. These investments are reported at fair market value.

The following schedule summarizes the fair values and unrealized appreciation as of December 31, 2023:

	Opei	Operating Assets		Endowment		Total	
Cost	\$	10,064,270	\$	202,543	\$	10,266,812

Total investment income (loss), net	\$	(482,400)	\$	(50,711)	\$ (533,111)

NOTE 4 – FAIR VALUE MEASUREMENTS

The Organization has adopted *Accounting Standards Codification (ASC) 820: Fair Value Measurements and Disclosures*, which among other things, requires enhanced disclosures about assets and liabilities that are measured and reported at fair value. ASC 820 establishes a hierarchal disclosure framework which prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchal disclosure framework which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy established under ASC 820 gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities

(Level 1 measurements) and the lowest priority to observable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

<u>Level 1</u> – Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

<u>Level 2 – Inputs</u>, excluding those included in Level 1, are either observable prices for identical assets or liabilities in active markets, observable prices for similar assets and liabilities, or other inputs derived principally from, or corroborated by, observable market data at the measurement date.

<u>Level 3</u> – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual funds, corporate bonds, U.S. government bonds, exchange traded funds, and exchange traded equity securities are valued at the quoted market price of units held by the Organization at year end.

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of December 31, 2023:

	Quoted Market Prices in Active Markets (Level 1)		Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Mutual funds	\$	1,242,094		
Money market funds		3,744,095		
U.S. equity securities		11,230		
U.S. corporate bonds		872,075		
US Treasury obligations		4,363,072		
Total Assets at Fair Value	\$	10,232,567		

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of December 31, 2022:

	Quoted Market Prices in Active Markets (Level 1)		Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Mutual funds	\$	1,574,352		
Money market funds		1,689,599		
U.S. equity securities		16,075		
U.S. corporate bonds		1,085,398		
US Treasury obligations		3,081,290		
Total Assets at Fair Value	\$	7,446,713		

The Organization's investments are mutual funds, money market funds, corporate debt obligations, and US Treasury obligations and are categorized as Level 1 at both December 31, 2023 and 2022.

NOTE 5 - FIXED ASSETS

It is the Organization's policy to capitalize property and equipment over \$1,500. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as contributions with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Property and equipment are depreciated using the straight-line method. The following estimated useful lives are used:

Leasehold Improvements3 yearsFurniture and equipment5-15 yearsComputer equipment3 yearsVehicles5 years

Depreciation expense for the years ended December 31, 2023 and 2022 is \$248,704 and \$180,751, respectively.

NOTE 6 - NET ASSETS WITH DONOR RESTRICTIONS

The Board of Directors has interpreted the Texas Uniform Prudent Management Institutional Funds Act (TUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. The remaining portion of the donor-restricted endowment fund that is not classified as net assets with donor restrictions-endowment funds are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by TUPMIFA. In accordance with TUPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

NOTE 6 – NET ASSETS WITH DONOR RESTRICTIONS (continued)

- 1. The duration and preservation of the fund
- 2. The purposes of the organization and the donor-restricted endowment fund
- 3. General economic conditions
- 4. The possible effect of inflation and deflation
- 5. The expected total return from income and the appreciation of investments
- 6. Other resources of the organization
- 7. The investment policies of the organization

Moreover, the Organization has interpreted TUPMIFA to permit spending from underwater funds in accordance with prudent measures required under the law. The fund is currently not underwater.

Net assets with donor restrictions-endowments funds consist of the Huffington Endowment Fund. The Organization has agreed to maintain the original principal balance of \$50,000 and to expend only the income and net capital gains of the fund for operational purposes of the Organization. As needed, the Board of Directors will appropriate available funds for specific purposes. There were no appropriations or disbursements made for operating activities for the years ending December 31, 2023 and 2022.

During 2023, the endowment fund recognized unrealized gains of \$41,269 and realized gains of \$11,685. Interest and dividend income for 2023 was \$3,583.

During 2022, the endowment fund recognized unrealized losses of \$67,744 and realized gains of \$7,360. Interest and dividend income for 2022 was \$2,790.

With respect to the Endowment Fund, the objective is to preserve capital, and minimize risk. The Endowment is invested in broad-based mutual funds. The objective of preservation of capital is intended to allow earnings to accumulate until such time as appropriated by the Board of Directors. To achieve this objective, funds are invested in widely-traded and stable instruments.

Net assets with donor restrictions consist of contributions with donor-imposed restrictions that limit the use of the funds for a particular purpose. When the donor's restriction is satisfied, the funds are released from net assets with donor restrictions to net assets without donor restrictions.

NOTE 6 – NET ASSETS WITH DONOR RESTRICTIONS (continued)

The following schedule summarizes the net assets with donor restrictions for the years ended December 31, 2023 and 2022:

	2023		2022	
Donor designated purpose:		_		
Capital campaign for new facility	\$	12,574,209	\$ 7,852,169	
Salaries		71,616	44,616	
Auto expenses		10,050	24,692	
Facility improvements and equipment		-	8,253	
Endowment Fund		50,000	50,000	
Walk in cooler		-	2,348	
	\$	12,705,875	\$ 7,982,078	

NOTE 7 – NOTES PAYABLE

During December 2021, the Organization entered into a note agreement with a financial institution for a principal amount of \$5,308,875. The note agreement was as follows: Interest expense begins to accrue monthly beginning January 2022 until June 2023, after which, principal and interest would be due and payable in monthly installments beginning July 2023, until December 2026, when the entire unpaid principal and interest would be due and payable in full. Interest on the outstanding and unpaid principal balance of the note is computed as a per annum rate equal to AMERIBOR (benchmark) plus the Applicable Margin. As of December 31, 2022, interest rate amounted to 6.31%. This note is secured by a deed of trust and lien on the Organization's land and certain real property.

Additionally, the Organization made principal payments of \$908,875 and \$4,400,000 during 2023 and 2022. As of May 2023, the Organization has paid off its entire loan balance. At the time of payoff, the bank released its lien on the Organization's land and certain real property.

For the years ended December 31, 2023, and 2022, interest expense amounted to \$22,826 and \$141,831, respectively.

NOTE 8 – LEASING ARRANGEMENTS

The Organization has a three-year lease agreement with Houston Pine Forest M, LLC and leases approximately 18,925 square feet of office space expiring January 31, 2023. In 2018, the Organization entered a sublease with Green Marine Equipment Company, Inc. (Scheidt and Bachman USA, Inc.) for an additional 7,200 square feet of warehouse and office space.

As discussed in Note 1, on January 1, 2022, we adopted ASU 2016-02, Leases (Topic 842).

NOTE 8 – LEASING ARRANGEMENTS (continued)

The Organization's offices are located in Houston, Texas and Montgomery, Texas. The Houston lease was renewed in November 2022 and is effective in March 2023 and has a remaining lease term of 2 years and 2 months. The Montgomery lease was entered into in April 2022 and has a remaining lease term of 1 years and 3 months. The renewal option has been accounted for in the computation of the Organization's operating right-of-use assets and liabilities. Monthly base rentals on the Organization's office space lease range between \$2,588 to \$10,030 as of December 31, 2023. The Organization's variable expenses for its office space lease generally include taxes, insurance and utilities. These variable components are treated as a separate component from leases, and accordingly, are expensed as incurred.

The following summarizes the lease expense for the year-ended December 31, 2023 and 2022:

Lease expense	2023		2022	
Operating lease expense	\$	232,027	\$	144,896
Total	\$	232,027	\$	144,896

The following is other supplemental lease information as of December 31, 2023:

Other Information

Cash paid for amounts included in the measurement of lease liabilities	
Operating cash flows from operating leases	\$ 194,451
ROU assets obtained in exchange for new operating lease liabilities	\$ 456,209
Weighted-average remaining lease term in years for operating leases	2.05
Weighted-average discount rate for operating leases	4.40%

The maturities of lease liabilities as of December 31, 2023 were as follows:

	Lease	
	pay	ments per
Year Ending December 31,		year
2024	\$	192,093
2025		171,633
2026		27,355
2027 and Therafter		0
Total undiscounted cash flows		391,080
Less: present value discount		(16,987)
Total lease liabilities	\$	374,093

1

NOTE 9 – FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 10 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following reflects the liquidity of the Organization's financial assets as of December 31, 2023. Below shows the Organizations net assets without donor restrictions reduced by amounts not available for general use or assets that have donor imposed restrictions for either a specific time or specific purpose within one year of the statement of financial position date:

	December 31, 2023	December 31, 2022	
Financial Assets, at year-end:			
Cash and cash equivalents	\$ 2,292,678	\$ 766,575	
Investments	10,232,567	7,446,713	
Contribution receivables	5,700,154	4,732,126	
Total Financial Assets, at year-end:	18,225,398	12,945,414	
Less: Donor imposed-restriction: Donor restrictions for specific purposes Financial assets available to meet cash	(12,705,875)	(7,982,078)	
needs for general expenditure within one year	\$ 5,519,523	\$ 4,963,337	

For the year ended December 31, 2023 and 2022 the organization had contribution receivables of \$5,700,154 and \$4,732,145, respectively. The organization expects to collect \$2,110,841 of its contribution receivables balance in the next 12 months which as a result will be used to increase its financial assets available.

For the year ended December 31, 2023, the top ten donors accounted for 49% of the Organization's total revenues. For the year ended December 31, 2022, the Organization's top ten donors accounted for approximately 34% of total revenues.

NOTE 11 - EMPLOYEE CONTRIBUTION PLAN

Kids Meals, Inc. adopted a 401 (K) plan effective September 1, 2023, for all eligible employees. Employees are eligible to participate in the plan. Generally, employees can defer a portion of their gross bi-weekly salary into the plan, not to exceed statutory limits. The Organization currently matches 3% of all employee contributions to the plan. For the year ended December 31, 2023, the Organization incurred \$10,036 as employer contributions.

NOTE 12 – CONTINGENCIES

On December 1, 2023, the Organization became defendant to a lawsuit stemming from a traffic incident that involves one of its former employees that occurred on January 21, 2022. The case is currently in the preliminary stages of litigation where the plaintiff is alleging certain damages. The Organization has an insurance program that is deemed adequate to protect it from any ultimate liability. As of December 31, 2023, and as of the date the financial statements were issued, there is no amount or range of the potential loss. Accordingly, the Organization has not recorded any expense or liability as of December 31, 2023.

NOTE 13 – RELATED PARTY TRANSACTIONS

During the years ending December 31, 2023 and 2022, the Organization received \$210,026 and \$142,288, respectively, in donations from its Board members. These contributions are reported as revenues without donor restrictions and revenues with donor restrictions on the statements of activities.

NOTE 14 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through April 30, 2024, which is the date the consolidated financial statements were available to be issued.

Kids Meals Inc. implemented Financial Edge NXT, a new Enterprise Resource Planning (ERP) System, on April 1, 2024. This system provides real-time operational and financial information, integrating all departments of the organization.

In conjunction with organization's Building Hope Capital Campaign to build a 50,000 square foot, purpose built, highly functional campus on five acres of land, Kids Meals Inc. signed a contract in February 2024 with Satterfield and Pontikes for construction. The total budget for the cost of the work will not be less than \$21 million but not to exceed \$22 million. The estimated move-in commencement is scheduled for May 2025.

Related to the Building Hope Capital Campaign Kids Meals Inc. executed a loan agreement on March 7, 2024, that provided for borrowing of \$9,800,000 from Blue Hub CDE XXXVI. Proceeds from the loans will used for operating expenses during the next 12 months after closing and the purchase of Furniture, Fixtures and Equipment for the new campus building and are intended to be treated as a "qualified low-income community investment" for purpose of generating new market tax credits under Section 45D of the Internal Revenue Code of 1986, as amended. The loans are secured by a property deed of trust and security agreement fixture filing on the property and guaranty by Kids Meals, Inc.

NOTE 14 – SUBSEQUENT EVENTS (continued)

Kids Meals Support Corporation executed a loan agreement on March 12, 2024, that provided for borrowing of \$22,050,000 from Blue Hub CDE XXXVI. Proceeds from the loans will used to finance the construction of a new campus building and are intended to be treated as a "qualified low-income community investment" for purpose of generating new market tax credits under Section 45D of the Internal Revenue Code of 1986, as amended. The loans are secured by a property deed of trust and security agreement fixture filing on the property and guaranty by Kids Meals Support Corporation.

In exchange for providing the New Market Tax Credit financing, the organization is committed to pay the following fees to Blue Hub CDE:

- (a) Placement and Services Fee: 3.0% of the Allocation, with such amount payable by the Investment Fund on the date of closing the investment agreement;
- (b) Sponsor Fee: 2.0% of the Allocation, with such amount payable by the Sub-CDE on the date of closed the investment agreement;
- (c) Asset Management Fee: 0.429% of the Allocation annually, with such amount payable by the organization to Blue Hub CDE in quarterly installments with an amount equal to 3.0% of the Allocation from a blocked and pledged organization reserve account funded on the date of closing the investment agreement; and
- (d) Covered Expenses: \$15,000 per year for eight years, equal to \$120,000 total, to cover the Sub-CDE's accounting, audit and tax preparation expenses associated with the New Market Tax Credit financing, with such amount funded in the organization's reserve account on the date the of closing the investment agreement, and payable annually by the organization.

As part of the new market tax credit process the Organization created two new legal entities, Kids Meals Support Corp and The KMI Foundation, for the purpose of performing the charitable functions of and carrying out the charitable purposed of Kids Meals, Inc. The entities were formed on January 10, 2024, and are supporting organization and controlled by Kids Meals, Inc., as specified in Section 509(a)(3) of the Internal Revenue Service. Accordingly, the accounts for both these entities will be consolidated with Kids Meals, Inc. going forward. Both entities are organized and operated exclusively for charitable purposes set forth in Article V hereof within the meaning of Section 501(c)(3) of the Internal Revenue Service.
