

Securities Donation Form

Donor Donation Disclosure

Securities donated to Kids' Meals, Inc. will be sold immediately upon receipt. In rare cases and upon approval of the Executive Committee of the Board, securities may be held if they are deemed to be appropriate within the overall investment strategies of Kids' Meals.

For gift crediting purposes, marketable securities will be valued at the average of the high and low quoted selling price during the day of receipt or the most recent day when sales of the security occurred.

For gift reporting, gifted securities are recorded at the valued amount without regard to expenses associated with the transaction.

Kids' Meals will provide a contribution receipt that gives the date of gift and a description of the gift.
